# NEW POST OFFICE REGULATIONS AND RATES.

 In force on and after 5th January, 1844.

## LETTERS.

1.—The former mode of charging postage on letters sent by post in Canada and other Provinces of B. N. A. according to the number of enclosures, ceases, and *all letters are to be charged by weight.*

2.—The scale of weight for charging postage is made the same as that by which letters to and from the U Kingdom are charged, viz.  
For a Letter not exceeding  $\frac{1}{2}$  oz....1 Rate.

Do do 1 oz....2 Rates.

Do do 2 oz....4 Rates.

Do do 3 oz....6 Rates.

And so on, adding two rates for every additional ounce. After the first oz. fractional parts are not noticed; thus, if a letter exceed 1 oz. it becomes liable to four rates, and if it exceed 2 oz. to six rates.

3.—The *Rates of Postage* on letters remain unaltered: thus—

For a letter not exceeding  $\frac{1}{2}$  oz.  
(without regard to the number of pieces of which it is composed,)— *s. d.*  
conveyed 60 miles or under,..... 0 4  $\frac{1}{2}$  cy

Do 60 miles to 100 miles, .... 0 7 ..

Do 100 ..... to 200 ..... 0 9 ..

Do 200 ..... to 300 ..... 0 11  $\frac{1}{2}$  ..

Do 300 ..... to 400 ..... 1 1  $\frac{1}{2}$  ..

Do 400 ..... to 500 ..... 1 4 ..

and so on.

4.—On letters to and from the U Kingdom the rate remains as before, a uniform charge of 1s. 4d. currency per half ounce; but on letters *via the United States*, the Provincial

charge is reduced to a uniform rate of 2½d. from any part of Canada to the frontier line and 2½d. for every additional half ounce. This charge must be pre-paid, as also the American postage to the Atlantic port, Boston or New-York.

NEWSPAPERS.

Colonial Newspapers not exceeding 2 oz. sent by post to any other place within the B N A Provinces, pay one halfpenny, cy.—*to be prepaid or not at the option of the sender.*

If sent to any British Colony beyond sea, (not intended to pass through the United Kingdom,) or to any foreign country, except the U States—one halfpenny—*to be pre-paid.*

If sent to any part of the United States—one penny—*to be pre-paid.*

Newspapers sent from the United States, are liable, on delivery, to a Provincial rate of one penny, in addition to the U S postage.

Colonial newspapers sent to the United Kingdom or to any British Colony by way of England, and British newspapers from the U. Kingdom to any part of Canada—exempt from any charge for postage.

With exception of these last, (which are not limited as to weight,) a newspaper to pass under the foregoing regulations, must not exceed 2 oz. otherwise it becomes liable to pamphlet postage, i.e. one penny per oz.

British and U. States papers, if re-posted in this Province, liable to full letter postage.

Supplements charged as distinct newspapers.

VOTES AND PROCEEDINGS IN PARLIAMENT.

If sent to the U. Kingdom by packet, or to any part of B N America or B West Indies,—one penny for every four ounces.

If intended to be sent to the U Kingdom by private ship,—double the above rates.

No packet or cover containing votes or Legislative proceedings permitted to be sent through the Post, if exceeding six pounds weight.

#### PAMPHLETS AND OTHER PUBLICATIONS.

If printed in the U Kingdom, Brit. North America, or B. West Indies, may be sent to any place in B. N. America, the U. States, or B. West Indies, at the reduced inland rate of 1 penny per oz. in addition to sea postage; provided they do not exceed 16 oz. beyond which weight no pamphlet or publication is permitted to be forwarded.

If printed and mailed in the U States, they are liable on delivery in this Province to the same rate of one penny per oz.; but if re-posted in Canada, they are charged with full letter postage.

Newspapers, Parliamentary Proceedings, Pamphlets and Publications. must be sent without covers or with covers open at the ends. If this is not done, or if there be any marks or writing on them besides the address full letter postage will be charged.

#### FRANKING.

Post Masters and other officers of the Post Office, not to receive or send letters, &c. "free."

It is to be observed, that the times of departure and arrival of mails, given at pp. 48-9, cannot always be relied on, as they are frequently subject to change.

† *Teas* of all kinds, imported direct from China or the U Kingdom, or from any British Possession, 3d per lb.—Otherwise imp. 4d.

† *Wines* [in wood or bottle.] Madeira, from place of growth, 1s per gal. and 7 per cent; from U K. 1s per gal. and 5½ per cent.—All other kinds, from place of growth, 6d per gal. and 7 per cent; from U K. 6d per gal and 5½ per cent.

The prices and duties on wines and spirits are calculated by the British old wine gallon (used in Canada) for each gallon of British excise proof by Sykes' hydrometer, and the greater part of the duty, which is Provincial, is also levied upon any overproof in like manner as in Great Britain

NOTE.—A part of the ad valorem duty is levied under the Imperial Act 4th and 5th Vic. c. 49, upon the value at port of entry, which is ascertained by adding 10 per cent to the invoice value, and the remainder of the duty, which is provincial, is levied simply on the invoice price.

Foreign articles, excepting sugar and teas shipped from U. K., having been warehoused there, or on which any drawback has been received, pay only ½ of such part of said duty as is levied under the Imperial Act.

All goods imported into this Province may be warehoused in one of the Queen's warehouses, without the payment of any duty upon the first entry thereof.
